

Hymn to the Sun and Moon

Alison Burns

To you heart of fire, corn of the field
To you pearl of (the) night, frost on the web

To you heart of fire, fruit of the tree
To you pearl of (the) night, silver on the wing

To you heart of fire, flower of the wood
To you pearl of (the) night, foam on the tide

To you, to you, to you, to you, to you
